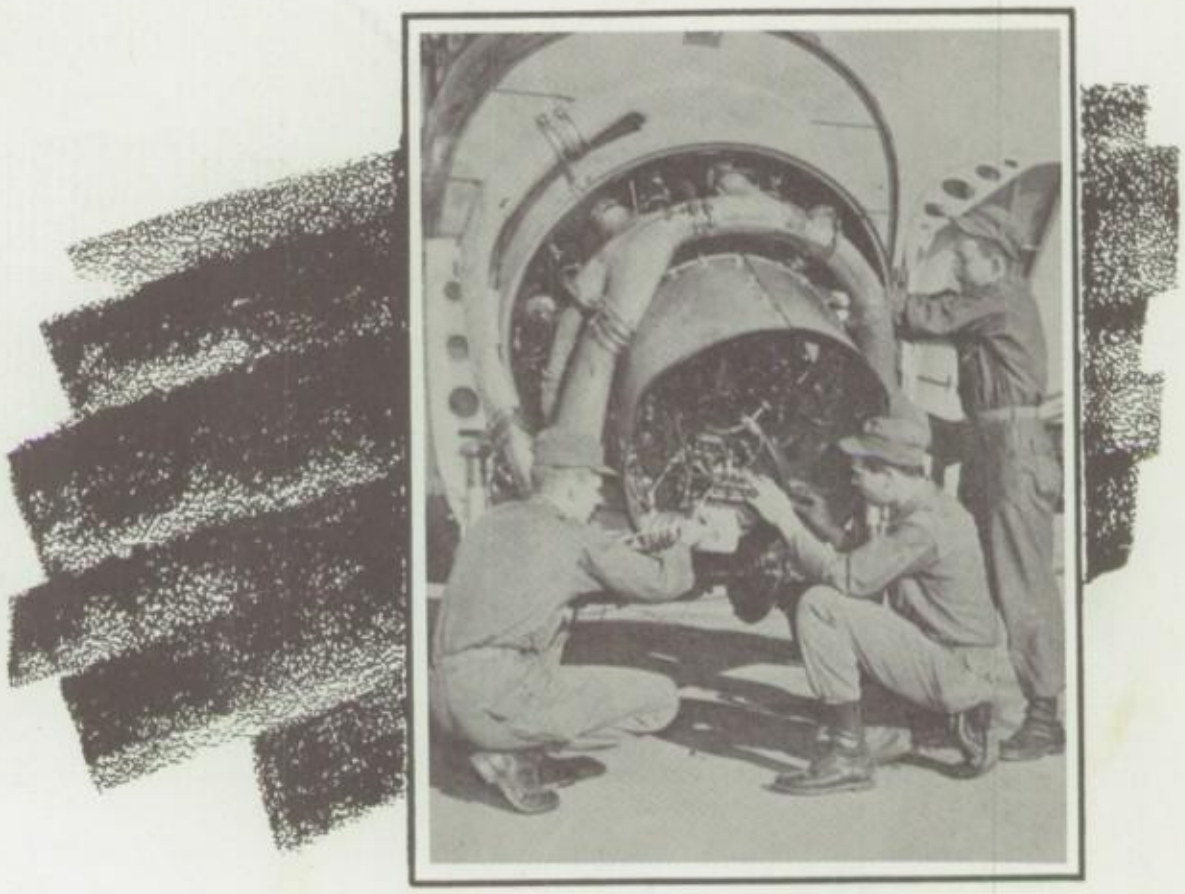
Foreword

As long as men think, plan, and study, there will always be new frontiers calling the students of L. H. S.



Dedication

To those who have served, and who are serving in the Armed Services of our nation; the guardians of the American way of life. We gratefully and respectfully dedicate this annual.

Class History

Old L. H. S. was amazed when it realized it was receiving such a large Freshman Class September 6, 1951. The first day of four memorable years of high school for the class of '55.

The first day of school, sixteen timid and green Freshmen approached with uncertainty their first year of high school at Latah. The roll call was Jackie Rhoades from Waverly, Dale Hirschel, Arthur Helmke, Carol Farrelly, Bill Wolf, Jim Janson, Jim Clausen, Janice Garber, Kermit Ellis, Dale Bippes, Alex Matt, Gary Schafer, Bill Crabb, Joyce Stapp, Walter Sexton, and Gary Osteller. The class advisor was Mr. Stanford. The first trial was initiation which we didn't like, followed by a party which we did like.

During the following summer, Walter Sexton went to Tekoa where he enrolled that fall at Tekoa Hi. Marilyn McBride became a member of our Sophomore Class when she enrolled in Latah. She returned to Spokane the following Spring.

Our major activity this year was the Freshman initiation, which we devoted to making the meek Freshmen as miserable as possible. Mr. Stanford was chosen as our advisor. We ordered our lettermen's sweaters, and were well pleased with them. The members of our class were the same except Bill Crabb failed to return to school in the fall.

Our Junior year proved to be a very active and successful year. We elected Mr. Latimer as our advisor. The thought of raising money was kept in mind so we could have a wonderful Senior Sneak. At basketball games we sold pop, popcorn, candy and apples in order to increase our class funds. Our class rings were ordered and we received them February 8. On April 30, we gave our play "Take it Easy" under the direction of Mr. Latimer.

In May, the traditional Junior-Senior Banquet was thoroughly enjoyed in the Palm Room of the Desert Hotel in Spokane.

The most important year of our high school days, our Senior year, finally arrived. Mr. Miller was chosen our advisor. The number of students in our class decreased when Joyce Stapp moved to Farmington and Gary Ostheller to Nine Miles. Seven members of our class, Bill Wolf, Art Helmke, Gary Schafer, Janice Garber, Dale Bippes, Jim Clausen and Jim Janson completed their 12 years of schooling together.

We ordered our announcements in October. Christian Studio was chosen to take graduation pictures January 14. The class thoroughly enjoyed the day and the pictures.

The outstanding event for the class of '55 was the publishing of "The Bobcat," which holds pictures, stories that will be treasured memories for many years.

The class play was presented in the spring to a large and appreciative audience.

The Juniors honored us with a delicious banquet in Spokane.

Our sneak finally became a reality after much planning and work to make it possible

Twelve years of schooling were completed with the Baccalaureate and Commencement exercises.

The Senior class of '55 wishes the very best of luck to the classes that follow us.

Class Will

We, the Senior class of 1955 being of sound mind, body and of reasonable intelligence do hereby declare this to be our last will and testament.

I, Arthur Helmke, do hereby will to Harold Scheele my ability to swipe the Junior's pop. And to Marvin Janson my ability to make "A's" in Geometry.

I, Dale Bippes, do hereby will to my little brother, Dennis, the ability to work harder than I did. And my basketball suit to Lawrence Krell in hopes it will fit him.

I, Alex Matt, do hereby will my position on the basketball team to Richard Fricke. To Norman Smith I bequeath my driving skill.

I, Dale Hirschel, do hereby will to Harold Scheele my ability to make "A's" in shop. To Richard Fricke I leave my Business Law book.

I, Jimmy Janson, do hereby will to Lawrence Krell my ability to hit the basket without looking at it. To Richard Krell my basketball suit in hopes he will make better use of it than I did. My desk in study hall, I leave to anyone who wants it.

I, Janice Garber, do hereby will a bottle of glue to Irma Helmke so she will be able to keep her false teeth in. I will Richard Fricke to Pauline Pittmann. To Virginia Ottosen my place in the girls' trio.

I, Gary Schafer, do hereby will my ability to get grades in Chemistry to Danny Braman. To Marvin Janson, I leave my ability to swipe pop and popcorn from the Juniors and sell to the nearest customer.

I, Bill Wolf, do hereby will an alarm clock to Lawrence Krell so he can get to school on time. To Norman Smith my ability to get along with the Junior girls. My basketball suit (No. 54) to Carol Evans in hopes she makes better use of it than I did. My spot in the Boys' quintet goes to Richard Krell.

I, Kermit Ellis, do hereby will my job as manager to Norman Smith. To my cousin, Barbara, my bicycle to go to games.

I, Jim Clausen, do hereby will my spot in the boys' quintet to Harold Scheele. My Chemistry book to Norman Smith in hopes that he uses it more than I did.

We, the Senior Class of 1955, do hereby will to the Juniors our desks in the South end of the Study Hall.

The one and only Senior girl we give to the Freshman class, with the understanding that she be treated kindly.

To the Sophomore class we will the ability to get through high school in four years.

To the faculty we leave our sincere love and affection in appreciation of their sympathetic understanding of our problems.

To Mr. Suenkel, cleaner floors.

To Mrs. Janson, ten less hungry people to feed.

To the students of L. H. S., we will, give and bequeath love, loyalty and affection for Latah High School, her heritage and traditions.

Given under our hand, this the second day of June in the year of our Lord one thousand, nine hundred and fifty-five.

The Great Seal of the Senior
Class of 1955

Prophecy

The year is 2000. The place is Latah, Washington. The day, the forty-fifth reunion of the class of '55. The reunion was planned and organized by JIM CLAUSEN, the owner and manager of the world famous Hotel "Aldorf Wastoria."

The party is scheduled to begin promptly at 8:00 P. M. in the Crystal Ball Room of the hotel.

At exactly 7:59 P. M. a long low red Rolls Royce stops in front of the hotel, and out steps the very dignified Chauffeur Pierre, better known to his classmates as DALE HIRSCHEL. He opens the door for his employer, and we are shocked to see GARY SCHAFER, a famous chemist who is noted for the discovery of Worm Plasma used to cure itching worms.

As we enter the beautifully decorated dining room we are greeted by the world famous butler (JIM JANSON). We are quite shocked to see our old friend ALEX MATT, now the famous TV Cowboy Star "Side Saddle Steve" (of course he brought his guitar, too). Steve seems to be quite upset over the loss of his beloved horse Mattalex, but his sorrows are being brightened now, because the latest guest to arrive is KERMIT ELLIS, a very successful horse rancher from Kleenburn, Wyoming. Kermit has heard about the horse's terrible mishap, and he promises Alex that he will sell one of his horses to him. This wonderful animal is supposed to be able to travel as fast as 80 m. p. h., and if Alex hasn't changed from his high school days ------ he will possibly be quite happy with its speed.

A flash is seen and then a roar, everyone dashes to the window just in time to see BILL WOLF and DALE BIPPES step from their space ship, the "Rainbow Streak." They have been making recent trips to Mars to represent the United States in Inter-Planet Communications, affecting goof apples of Mars. After removing their asbestos space suits, they go inside to be greeted by JANICE GARBER, the Head Receptionist at the Aldorf Wastoria. Janice went to work at the hotel after she quit the teaching profession. It seems that she couldn't stand the strain of having some of the little darlings in her classes throwing spit wads at her, putting live mice in her desk, and many other little mischievous things that the little angels will do.

As we look toward the door, we see ARTHUR HELMKE. The reason Art is so late, is because he was baby sitting with his seven grandchildren while his wife was shopping. Art fell in love with the most beautiful school. After finishing college, he opened his own Diaper Laundry "Art's Diaper Service," and has been very successful in business. Of course his old L. H. S. buddies were good customers.

Now that the members of the class have all arrived, we will leave them to enjoy themselves; as the years go by, may they remember many very, very happy class reunions.

Many hog feeders who follow the Purina Program report marketing hogs at from 5 to 5½ months. Purina Hog Chow helps speed them on the way. And it takes only 322 lbs. of barley or 308 lbs. of milo and 45 lbs. of Hog Chow to make 100 lbs. of pork.
Try the Purina Program. Crowd hogs to hit the early market, when prices are usually best. Ask for Purina Hog Chows at our store.

Dear friends
The Rose
in all your
years. Just
the prettiest
with your
my wishes,
to write.
is morning.
